Re: TCEQ Docket No. 2005-1177-PWS-E

Date: 9/11/07

I just received a letter from your office informing me the date of the hearing of the above-referenced matter to be on the September 19, 2007.

Unfortunatly, I will be out of state during that time because I have a job to be done in the state of (Illinois). It is impossible for me to not to attend. Also, A lady from your office called me back in May and I told her about my job in Illinois and told me that the hearing will be in July and I made myself available during that time. However, no body contacted me then.

So, Please give me a continuos to enable me to attend.

I hope that you approve my request for Continuation. Thank you. Regards, *Al Jabour*
